Description

Stunning 2 bedroom condo, w/views of False Creek & Granville Island, has been completely stripped down to the studs and professionally renovated and designed. Offering nearly 1,300SF of interior living space & over 100SF of outdoor South facing patio space.

This spectacular open concept floor plan is detailed with high-end custom finishings including: stainless steel Bosch appliances, Cambria Quartz countertops w/waterfall edges, designer LED lighting throughout & custom built fireplace & TV unit.

With too many updates to list this property is an absolute must see! This waterfront resort like complex is located in the pulse of the West Side just steps from the seawall, a block from Granville Island & close to all the best restaurants & shopping Vancouver has to offer.
